

REMARKS

The specification has been amended to update the cross-references to prior applications. The specification has also been amended to insert American Type Culture Collection (ATCC) information (address and accession number). The specification has been further amended by inserting certain sequence identifiers to bring the application into compliance with sequence rules requirements.

Favorable consideration on the merits is respectfully requested. If the Examiner has any specific questions relating to this application, he or she is respectfully requested to contact the undersigned attorney.

Respectfully submitted,

SEED Intellectual Property Law Group PLLC
